

All About Me

Free interactive "mini book"!

By 1st Grade Hip Hip Hooray!

uhuh

I am so excited that you stopped by my store to pick up this freebie. I think it is perfect for those first few weeks of school when you are finding out what makes each student unique in your classroom. I like to use this book as an "interest inventory". The other neat thing is you can use as many or as few pages as you want. You decide! If you like that product you might also like the complete 38 page packet at my store. Enjoy! Michele
